

Chose your Pen Type and Size

You can find an overview on the different pen designs and sizes in the "COLLECTION". If you need some modifications don't hesitate to let us know.

Chose your Urushi Lacquer

Today Manu Propria Pens applies over 100 different lacquers.

["https://www.manupropria-pens.ch/welcome/Collection/Fountain_Pens_Types___Designs__Overview.html"](https://www.manupropria-pens.ch/welcome/Collection/Fountain_Pens_Types___Designs__Overview.html).

For a better overview the Catalogues are structured according to Lacquer Categories:

- **Negoro** (Black & Red Lacquer)
- **Kawari-Nuri** (Experimental Lacquer)
- **Ishime-ji** (Stone Surfaces)
- **Kinsoku Mitateai** (Metal surfaces)
- **Raden** (Mother of Pearl)
- **Susutake** (Bamboo)

In the LIBRARY you can download the E-Catalogues of the various lacquers.

Chose your Nib

Manu Propria Pens write with 14/18 kt. Gold nibs, standard nib finish EF-F-M-B. All nibs are hand polished before delivery. If you wish an individualized nib, please let us know. we can grind any style of nib finish. We offer Nibs in Yellow, Rose and red Gold Color and Rhodium Plated

The Way you Write

For being able to finish your nib best possible please let us know about

- Writing Pressure: Heavy, Moderate, Light
- Part of Pen Section you hold: Close to nib, Midway, far from Nib
- Writing Speed: Fast, Medium, Slow
- Writing Size: Large, Medium, Small
- Hand you Write with, Left Hand, Right Hand
